Alycia Baumgardner Press Conference Quotes

“My confidence is at an all-time high, I’ve been preparing for this moment for a very long time in my career and being in boxing for twenty years – this moment everybody dreams of. Here I am, well prepared and ready to give a great fight Saturday night. I’m ready to showcase what women’s boxing has been doing and give a different look on what a lot of boxing fans haven’t seen from me and from a women’s boxing perspective.

“It is a very dangerous fight for Terri, I pose a big threat, again just the experience I have with over 100 amateur fights and many former World Champion’s training camps. I’ve been

prepared for these moments, just to go out there Saturday night to really do what I do best and get the win – I will become a two-time World Champion come Saturday night.

“Like I said, my confidence is at 100, there’s levels to this game and I believe I’ve been on that level, but I haven’t been given the opportunity to showcase that. Now on Saturday I’ll be able to show the many levels of boxing of what I have to offer to the sport and what I have to show Terri Harper Saturday night. She hasn’t been in the ring with somebody like me, I’m definitely going to show her and punish her every round.”
