Demetrius Andrade “I am ready to Golovkin on May 5th”

Philadelphia, PA /White Plains, NY (April 5, 2018) – Two-time undefeated world champion, Demetrius Andrade is ready should Gennady Golovkin choose to fight him on May 5th at The MGM Grand in Las Vegas.

“Like I said last week, I am in the gym, and if Gennady does the right thing and choose the best available fighter, and that is me, he and his team should know that I am ready to fight him for his middleweight titles on May 5th. I have been working extra hard in the gym to prepare myself for May 5th. Last week your promoter texted my promoter asking if I was in the gym, well the pictures are the proof that I have been. I think Gennady knows that I am the best option right now. Based on all the comments about all of the names out there, this is the fight that the fans prefer. Gennady and his team have

always talked about fighting the best, well it is time he stays true to his word and let's fight on May 5th," said Andrade.

Undefeated Number-One Ranked Middleweight Contender Demetrius Andrade Ready to Step in to Fight Gennady Golovkin on May 5th

Philadelphia, PA /White Plains, NY (March 26, 2018) – Undefeated, two-time world champion Demetrius Andrade (25-0, 16 KOs) is ready and available for a showdown with unified middleweight champion Gennady Golovkin, should Canelo Alvarez not be cleared by the Nevada State Athletic Commission on April 10th for his May 5th rematch with Golovkin.

Andrade, who is ranked number 1 by the WBO in the middleweight division, feels that if Alvarez is not cleared by the commission for his recent positive test for Clenbuterol, he would be the most obvious candidate to face Golovkin.

“I am ready, willing and able to step to the plate on May 5th to fight Golovkin,” stated Andrade. “I am always in the gym, and I will start VADA testing right now. I guarantee that I will pass all the tests. I know other fighters can’t say the

same thing. I am undefeated, and a two-time world champion. Golovkin went through a period where nobody wanted to fight him. I am that guy now. The man nobody wants to fight. Everyone says what does Demetrius Andrade bring to the table? Besides being the best American middleweight, and one of the top 3 middleweights in the world, everyone knows who I am, and they know how good I am. My question is to those who say that I don't bring anything to the table. What did Murray, Adama, Geale, Monroe and Rosado bring to the table? None of the top contenders want to fight me so I believe that if Canelo is unavailable for May 5th, I want the opportunity to face Golovkin for the unified middleweight championship of the world."

Golovkin's Promoter Tom Loeffler stated after Alvarez was temporarily suspended that his fighter will still compete on May 5th with or without Alvarez.

"Whatever the commission does, Gennady would still fight May 5th if Canelo is out," he said. "If for some reason it's not against Canelo, we'll figure out the best course of action at that time, but he is training to fight May 5th.", Loeffler told Dan Rafael of ESPN.com

Like Golovkin, Andrade is also in the gym, and will be ready should he get the call for May 5th.

Andrade is promoted by Banner Promotions and Joe DeGuardia's Star Boxing.

Demetrius Andrade – Alantez Fox outdraws main event on HBO Boxing After Dark®

White Plains, NY/Philadelphia, PA – Demetrius Andrade, two-time and undefeated world champion, showed that he has the drawing power to go along with his unquestioned ring talent as his bout with undefeated Alantez Fox outdrew both the main event and opening bouts in the ratings last Saturday night by over 90,000 viewers on HBO Boxing After Dark®.

The Andrade – Fox bout peaked at 685,000 viewers. That number outdrew the main event, the WBA World Super Featherweight title bout between Jezreel Corrales & Alberto Machado. That is an impressive number considering the sports viewing competition was incredibly strong. That competition was headlined by Game 7 of the American League Championship Series (New York Yankees – Houston Astros) as well as two high-profile college football games featuring Penn State and Michigan as well as Notre Dame and USC.

Those games were all still going on when Andrade and Fox walked to the ring but were well over by the time the main event started.

“To have Demetrius pull in that viewership going against The Yankees, Penn State, Notre Dame, Michigan and USC just shows the interest in an American boxer who can be considered one of the best out there. Those above mentioned teams are most iconic programs and teams in American sports,” said Artie Pelullo, President of Banner Promotions.

Joe DeGuardia, President of Star Boxing said, “I am very

pleased with the ratings. It is an anomaly when the co-feature bout does a higher rating than the main event. Additionally, considering that Demetrius' fight competed with significant live sports competition, including game 7 of a fantastic Yankees-Astros series and major college football games, it shows fans are interested in a talented American boxer with US Olympic pedigree."
