I have seen some film where can be slick, so I have to be cautious of that. I have been working hard, so I am confident that I will get the job done.”

With a win, Pham can see himself getting into contention for some regional title opportunities.

“A win will set me up for a step up fight. I will discuss that with my manager after this fight. I am happy where I am at as this will be the 3rd fight this year for me and this is by far the busiest stretch of my career. I am looking to impress the fans and keep doubling the expectations with each fight. This will be a top-shelf performance. I want to stop this guy. I don’t go in looking for it, but if I see that I have him staggered or hurt, I will try to get him out of there.”
