"I think LaManna is a boxer who has not fought anyone of my caliber yet, and unlike me, I have fought everyone," said Sosa. LaManna has been protected during his whole career, Do I think he will be easy? No. There is no such thing as an easy

fight. He is his Mommy and Daddy's baby. When he fought somebody with caliber, he lost."

Despite his 15-9 record, Sosa knows a win can change his whole career.

"This fight is for the WBC Silver title, and would definitely change my career. Before I would just take fights because I needed the money to take care of my family in Cuba. I was too busy partying, and not taking matters seriously. Like my last fight with Anthony Young, I arrived three days before the weigh-in, and I was 21 pounds over the weight. Not only did I make the weight, but I went the distance with a formidable opponent. Not this time I went directly to Cuba to begin training."
