“I’ve had people that never thought I’d get here and I love it. It takes a different kind of person to step into that ring in front of so many people. You have to be ready to go out

there and risk it all. I fight who they put in front of me and keep winning. That's what I plan to do on July 20. On July 20, I'm going to keep proving people wrong."

"This has been a culmination of years of hard work and sacrifice. Most importantly, I've gotten somewhere no one thought I would get. I'm fine being the underdog. I have nothing to lose," said Lee. "I'm coming out with everything I have. This is everything I've ever wanted. I respect Caleb Plant, but on July 20, I plan on making it my moment. On July 20, I'm going to keep proving people wrong"

"This is a dream come true for me. I've been through so much and there were days where I thought my dream was over. I've chased this since I was eight-years-old and I'm thankful for this chance to go after a dream that others thought I couldn't reach.

In Las Vegas, where people bet against the odds everyday, On July 20th, Mike Lee will do what he does every time he faces a big challenge and give hope to the millions who suffer from

their Autoimmune Disease.

HE WILL WIN!!!
